

# Make Your Own "Red" the Cardinal

## You will need:

4' x 6 ½" piece of red poster paper/card stock

Pencil

Scissors

Hole punch

5 ½" x 14" piece of red tissue paper

2 reinforcement tabs (round with holes)

String

## Instructions:

Step 1: Cut out the bird pattern and trace onto red poster paper. Cut out the bird.

Step 2: Ask a grownup to cut the slit in the bird for the wings. Punch a hole above the slit with hole punch.

Step 3: To make the wings, fold the red tissue paper as though you were making a fan. Pull the wings through the slit and spread the wings.

Step 4: Punch a hole for the bird's eye. Stick a reinforcement tab over the hole on each side for the eyes.

Step 5: Pull the string through the hold above the wings. Tie the ends for a hanger.
